# Omega 3D

Available in 60, 120, & 240 Count Softgels Bottles or Liquid Omega

Independently third party tested for mercury, PCB, and dioxins.

• A dietary supplement to support cardiovascular function, skin and hair health.

**OMEGA 3D** is a blend of non-GMO natural oils from Fish that combines the health benefits of Omega 3 and Vitamin D3. It is a comprehensive "multi" fatty acid supplement that is rich in EPA, DHA and Vitamin D3.

• It provides a healthy balance of essential fatty acids that are critical to total body health. These fatty acids play a vital role in the structure of cell membranes, healthy hair and skin, and support cardiovascular, nerve, neurological and immune system functions.

• It also provides the desirable ratio of Omega 3 to Vitamin D3 for more efficient and beneficial prostaglandin production.

• **Recommended for:**

- Cardiovascular health
- Hair and skin health
- Support of blood pressure within normal ranges vascular integrity and cardiovascular health
- Healthy nervous system and organ function
- Joint and bone health and comfort
- Gastrointestinal, respiratory, and immune system health
- Support of hormone balance within normal ranges

Omega 3D is a rich source of Omega-3, including Eicosapentaenoic Acid (EPA) and Docosahexaenoic Acid (DHA), combined with D3.

• Daily supplementation with EPA, DHA and D3 is the best way to ensure that you receive the healthprotecting benefits of fatty acids and D3.

**Omega 3 2800 Liquid** was specifically designed to give the user the benefits of high level omega and to diversify delivery systems. As such, the liquid boasts a high Omega yield with optimal levels of EPA/DHA.

## SUPPLEMENT FACTS

### SOFTGEL
