About Our Presenters:

Dr. Edwin Lee

MD | F.A.C.E

Dr. Lee founded the Institute for Hormonal Balance in 2008. His driving purpose the Institute to focus on prevention of diseases, are rather just treating the impact of diseases – that in many cases could have been prevented. He is uniquely board certified in Internal Medicine, Endocrinology, Diabetes and Metabolism, and has completed specialized courses in Regenerative and Functional Medicine. And, he is assistant professor of Internal Medicine at University of Central Florida College of Medicine. Dr. Lee is a best-selling author, and a 2013 recipient of Living Now Book Award. His books include: **Feel Good Look Younger; Your Best Investment; Your Amazing Heart; Your Awesome Brain, and The Fountain of Youth with Peptides**. He has an upcoming book **Your Incredible Liver** to soon published. He also has published several articles (in highly regarded professional journals) on internal medicine and on endocrinology, and was author in Textbook of Critical Care.
