Featured Speakers

Dr. Nathan Goodyear, MD

Dr. Goodyear is a natural, holistic, and integrative expert in the cancer field. Dr. Goodyear has been a part of the Integrative Medicine movement since 2006 and has spoken across the country on various topics in Integrative Medicine and is a sought-after speaker and podcaster on the subject of high-dose IV vitamin C, cannabis & more.

Dr. Lisa Koche, MD

Triple board-certified physician, best-selling author, and leading expert in integrative and functional medicine. With over two decades of experience, she has empowered thousands of individuals to reclaim their health, achieve peak performance, and lead with heart-centered awareness. Dr. Lisa has shared her transformative insights on some of the world's biggest stages, including the Tony Robbins Summit, AgeMed Conference, Tampa General Hospital, & more.

Dr. Bob Rakowski, DC, CCN, DACBN, DIBAIC

Dr. Bob has taught over 10,000 seminars to natural and medical practitioners around the world. He is known for his in depth understanding of physiology and biochemistry as well as for creating programs that are both safe and effective.

Dr. Len Brancewicz, NMD

Dr. Len Brancewicz, founder of The Nutrition Shoppe, received his pharmacy degree (RPh) in 1976 from Duquesne University, and has since expanded his work into the naturopathic realm. He is a fellow in the British Institute of Homeopathy (FBIH), earned a Diploma of Homeopathic Pharmacy (DHP), is a Certified Clinical Nutritionist (CCN), and a Doctor of Naturopathic Medicine (NMD).

Dr. Richard Silva, DO

Osteopathic physicians practice a "whole person" approach, treating the entire person rather than just symptoms. Focusing on preventive health care, DOs help patients develop attitudes and lifestyles that don't just fight illness, but help prevent it, too.

Dr. Tracey Stroup BS, NMD, HHC

Tracey is an experienced healthcare and business professional with a demonstrated history of working in the alternative medicine industry as both a practitioner and a corporate executive.

Dr. Maribelle Verdiales, MD

Maribelle Verdiales, M.D. believes that optimum health is achieved with a balance between body, mind and soul. Every day, Dr. Verdiales helps hundreds of women reach their maximum health potential to reach personal wellness goals whether that is having a baby, treating conditions or simply feeling better and having a healthier lifestyle.

Dr. Jaquel Patterson, ND, MBA, IFMCP

Dr. Jaquel Patterson is a nationally recognized naturopathic physician, sought-after speaker, success coach, 3x Amazon best-selling author, and Forbes contributor. She is the medical director and founder of Fairfield Family Health and has over 15 years of clinical experience with expertise in Lyme disease and other tick-borne infections, autoimmune conditions, integrative psychiatry, ADD/ADHD, PANS/PANDAS, allergies and environmental medicine.

Jamie Dorley, BS, ACSM

Jamie Dorley has offered wellness solutions for over 30 years, beginning with creating workout and nutrition protocols for fitness competitions during his college years to constructing a "new frontier in nutrition" at Nutritional Frontiers, LLC. As CEO, he's focused on innovative solutions to help our clients and their patients thrive.

Kristine Genovese, MA, CPC

Kristine serves as the Chief Growth Officer for Nutritional Frontiers. She is an accomplished conscious leadership executive, wellness enthusiast, and spiritual gangster. Kristine teaches neuro bioenergetic trauma release and root-cause healing that sparks lasting transformation—mentally, emotionally, physically with her revolutionary SOUL INTELLIGENCE® method.
